If your, or your GPs, address are different to those shown above please cross out the old address and write the new one next to it. Please do not assume we will accept you for a research scan on the basis that you have been scanned elsewhere (regardless of whether it was for research or clinical reasons). Please remove all eye make up prior to attending for your scan.

It is essential that all questions on this sheet are answered truthfully. This information is essential in order to ensure your safety and will be kept completely confidential. If you do not want to answer any question(s) on this form you are free to withdraw from this scanning session without any prejudice.

Please answer the following questions accurately by ticking the appropriate box. If you answer YES to any of the safety questions please call YNIC on 01904 435329	Participants Answers		YNIC STAFF USE ONLY	Please answer the following questions accurately by ticking the appropriate box. If you answer YES to any of the safety questions please call YNIC on 01904 435329	Participants Answers	
	Yes	No	Approval for individuals with contraindications		Yes	No
